How do I get more cards for my unit? When picking up your additional cards, you must settle your current account before getting another significant allotment or agree not to return any from your original order. This will ensure we have cards available for any unit who wants more. Additional cards may be available on a limited basis from your District Executive or the Council Service Center. **Units may not shuffle cards between units for any reason. Please contact your District Executive to turn in any cards and have a control form filled out. Your unit is responsible for the number of cards that they signed out!**

PLEASE DO NOT SELL CAMP CARDS IN THE PARKING LOT OF OR IN FRONT OF ANY BUSINESS WITHOUT PERMISSION.

COMPLETE SETTLEMENT IS DUE BY MAY 1, 2026, BEFORE 4:00 PM.

COMMISSION: The unit receives 50% commission on each Camp Card sold if settlement is on or before May 1, 2026. Settle by May 8, 2026, to receive 30% commission. After May 8, 2026, the unit receives 0% commission.

RESPONSIBILITY: The unit is responsible for all un-returned cards (i.e. lost or misplaced); keep track of your cards! Each card is like a \$10.00 bill. Cards should be returned in like new condition; cards with tabs removed cannot be returned. (Dick's, Harris Teeter, etc.)

Unit leader/camp card coordinator acknowledges the receipt of the leader's guide, deadline dates, and commission structure which can be located at www.centralnscouting.org/campcards

**The unit may only return up to 10% of the cards checked out until the mid-point of the sale (March 27, 2026).
The expectation is for the unit to sell all cards checked out, but a minimum of 90% sold.**
