

Registering for an Event

The Central North Carolina Council uses CouncilWare for event and summer camp registration. While most events allow registration without a MyCouncil account, we encourage you to create one.

Note: All registrations are started through the CentralNCscouting.org website, not the CouncilWare dashboard.

Calendar page and locate the event you would like to register for. Click on the event to open the pop-up window. From there, select **“More Details”** to learn more about the event, or click **“Register”** to go directly to the registration page.

If you click the **“More Details”** button, you’ll be taken to a page with detailed information about the event. Use the tabs to review registration types, location details, and any available resources. When you’re ready to sign up, click the green **“Register Online”** button
